How to use this resource

This list shows UK employers who: (1) have hired LSHTM graduates, and (2) hold a Skilled Worker A-rating licence on the UK government register.

Graduate Route visa: If you studied in the UK, you may be eligible for 2 years right to work under the Graduate Route visa — you do not need sponsorship during this period. This list is most relevant once your Graduate Route visa is ending, or if you are not eligible for it.

Always verify before applying: Licences can change at any time. Check the live register at: gov.uk/government/publications/register-of-licensed-sponsors-workers

About this resource

Compiled by cross-referencing LSHTM Graduate Outcomes Survey data (2019–2024) with the UK Home Office Register of Licensed Sponsors. Only organisations appearing in LSHTM graduate outcomes data AND holding a current Skilled Worker A-rating licence are included. International organisations (WHO, USAID, UN agencies, overseas research institutes) are not listed — they sponsor employment via different mechanisms.
