Find Organisations & Opportunities

Q. Which employers are hiring in sectors and companies I'm in

Q. Could there be suitable jobs out there that aren't currently

A. Check out the employer information sessions and spotlight boards, and learn how to uncover the hidden jobs market.

Employer Information Sessions

Hear from Employers across public and global health sectors who are interested in hiring LSHTM students to learn

Spotlight on selected employers

First-hand information about a range of employers, gathered by the careers student ambassadors who personally job, advice on getting into the sector, working for that employer, and details of the kinds of roles it has.

Job Boards: Where to find public and global health jobs

A list of vacancy websites for public health, global health, pharmaceutical, global health and related sectors. This list will help you have more success if they speak to other professionals in their sector, network using LinkedIn, and are proactive.

LinkedIn Masterclass

Staying in the UK after your studies

We don't give visa advice, but have curated:

- Talk + slides on working after your studies from a visa adviser
- eCareersGrad online course on targeting UK employer sponsors
- 111 UK employers who have hired LSHTM graduates and hold a current Skilled Worker visa sponsorship licence

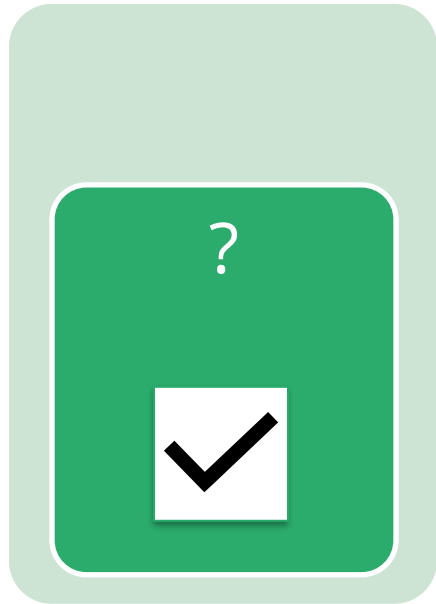

In person 1:1 appointments get busy – allow time

In person 1:1 appointments are at the Education Centre at Tavistock Place – allow 15 mins to walk

In person 1:1 appointments can be converted to online on request.

- Careers newsletter (fortnightly)
- Alumni networking event (Spring)
- Online jobs fair (towards end of term)

So: what's your next step?
