MEMBERSHIPS, PUBLICATIONS AND CONFERENCE PRESENTATIONS/POSTERS

Memberships of professional bodies:

This could include professional registration, where appropriate, or membership of learned society.

Publications:

If you have publications list them using a standard referencing format (such as Harvard). If you have multiple publications, select most relevant/recent/impressive (and can indicate this is a selection).

Conferences: selected presentations/posters

If you are applying for a role where your ability to present research is relevant, you may wish to list some presentations you have done.
