RESEARCH AND STRATEGY EXPERIENCE

University Health Network
Research Analyst

Toronto, CA
May 2019 - August 2022

- Managed a team of 4 writers in reviewing 194 academic sources and integrating the findings into the published manuscript "Pre-Transplant Patient Education in Solid-Organ Transplant: A Narrative Review"
- Utilised STATA to analyse the association between religion and transplant knowledge, which informed a culturally-tailored educational intervention and resulted in a 50% increase in outreach to Muslim-Canadian organisations

Munk School of Global Affairs and Public Policy

Toronto, CA

Munk One Student

September 2018 - April 2019

- 1 of 25 students selected for the highly-selective (10% acceptance rate) research program
- Created a strategic plan to increase immunisation rates by 20% among unvaccinated children in Toronto by leveraging insights from the literature, stakeholder consultations and a SWOT analysis
- Presented the intervention to healthcare leaders in Toronto and facilitated a collaborative dialogue that secured 80% support for the implementation strategy

LEADERSHIP EXPERIENCE

Tri Delta Women's Fraternity (Canada Alpha Chapter)

Toronto, CA

Vice President of Operations

January 2021 - April 2022

- Created and managed the 2021-2022 collegiate chapter budget of \$100,000 CAD, implementing cost-saving measures that resulted in a 30% reduction in expenses while maintaining 95% member retention
