Student Networking Event, Thursday 14th March 2024

The Careers Project Assistants (Emma, Lucia, Joyce, and Mathea) will be holding a peer-to-peer careers event on Thursday March 14th from 17:30-19:30. We will be holding a Careers Panel from 17:30-18:30 in the Manson Lecture Theatre, followed by Networking from 18:30-19:30 in North Courtyard. This event will be by-students-for-students, and presents an exciting opportunity to network and learn about your peers' professional experience!

We are also inviting students to contribute to our networking repository, where students can input their sector, career interests, and past experiences, to be used for peer-to-peer networking. If you're interested, **please fill out the repository, linked [here](#)**. We hope this will serve as a means to make connections between students with similar career goals and interests.

We're looking forward to bringing you these exciting Careers events! Please direct any questions to careersproject@lshtm.ac.uk.

The careers team and the alumni team are also discussing the possibility of running a second Alumni and Student networking event in the Summer term. If you would like to attend **please add your name to the waiting list** [here](#) so that we can get a sense of demand/numbers, and also let us know if you would prefer an in-person or an online event with breakout rooms. Many thanks for your feedback, and thank you to those who have already completed the form.
