## **Your Insights Needed: How Can We Improve The Careers Service?**

We want to continue to improve the Careers Service and we need your help to do it!

**Please share your feedback and insights [HERE](#).** The form takes 2 minutes to complete. Thank you for your time and inputs, we really appreciate it.

## **Alumni & Student Networking Event – Shall we run another event in the Summer term?**

The Alumni & Student Networking event is one of our most popular offerings. This year we had 70 Alumni and Students in the G90 refectory space. If you did attend the event, **please give us some feedback about your experience [here](#).**

The careers team and the alumni team are also discussing the possibility of running a second Alumni and Student networking event in the Summer term. If you would like to attend **please add your name to the waiting list [here](#)** so that we can get a sense of demand/numbers, and also let us know if you would prefer an in-person or an online event with breakout rooms. Many thanks for your feedback, and thank you to those who have already completed the form.

## **Join the Student Careers Networking Database**

The Careers Project Assistants (Emma, Lucia, Joyce, and Mathea) are inviting students to contribute to our networking repository, where students can input their sector, career interests, and past experiences, to be used for peer-to-peer networking. If you're

interested, **please fill out the repository, linked [here](#)**. We hope this will serve as a means to make connections between students with similar career goals and interests.

### **Access to eCareersGrad resources**

A reminder that eCareersGrad is a fantastic resource to help you prepare for interviews and commercial case studies (used by management consultancies), as well as providing you with information on who hires international grads in the UK. We have subscription access to their three main courses which are: (1) International Students: Target the Right UK Employer; (2) Interview Success; and (3) Master the Commercial & Consulting Case. **You can access eCareersGrad [using this link](#)** and sign in with your LSHTM email account.

### **Careers events in the Summer term**

As usual, we will be taking a break from most live careers events while you are revising for and sitting exams. We will be publishing our Summer programme on Moodle and in this newsletter during April.

### **Opportunities for students and graduates**

Jobs are posted in the bar at the right hand side of the Moodle page. This is a useful resource wherever you are in your career thinking whether you are checking out the types of job available or ready to start applying yourself. You can also check [LSHTM Connect](#), the dedicated platform for students and alumni of LSHTM.

Note: This is the final newsletter of term and the next one will be going out on 22 April the first day of summer term. Have a great break, everyone!
