Costello Medical's Global Health Internship for LSHTM Students from LMICs - Final Call!

Costello Medical provides scientific support to the healthcare industry in the analysis, interpretation and communication of clinical and health economic data. Through both commercial and charitable projects, they are dedicated to the improvement of health and healthcare globally.

The **Global Health Internship** offers LSHTM students from low- or middle-income countries the opportunity to gain skills in evidence-based medicine by working on a healthcare problem which is relevant to their community. It is a paid opportunity lasting 12 weeks starting Monday 6th October 2025 based in their London office.

Applications are open and the deadline is Sunday 29th June 2025. To view the online advert and application form, please visit: <https://apply.workable.com/costello-medical/j/0A35BD5E5D/>

For more information, see www.costellomedical.com/careers or contact Claudia Casciano (People Team Administrator) at recruitment@costellomedical.com.

Check your CV and Cover Letter with CareerSet

CareerSet enables you to check, score, and improve your CV and Cover Letter using their AI-powered platform. You can 'Score my CV' to receive actionable feedback on your CV; 'Target my CV' to tailor your CV to a specific role; and 'Review my cover letter' to optimise and personalise your cover letter. For 2025, CareerSet have introduced enhanced cover letter feedback, including functionality that generates live grammar and spelling suggestions, and an AI rewrite functionality.

You can access and use the platform via this link: <https://careerset.com/lshtm>

This link logs you in for one session, and your account is created upon your first login, where you can read and accept the terms and privacy policy.

You also have access as a graduate - you can sign up to CareerSet with your personal or alumni email address by clicking on the 'alumni sign up' and entering the code **LSHTMGRAD**.

eCareersGrad

eCareersGrad is a fantastic resource to help you prepare for interviews and commercial case studies (used by management consultancies), as well as providing you with information on who hires and sponsors international grads in the UK.

We have subscription access to their three main courses which are: (1) International Students: Target the Right UK Employer; (2) Interview Success; and (3) Master the Commercial & Consulting Case.

You can access eCareersGrad **[using this link](#)** and sign in with your LSHTM email account.

Additional Careers Resources from Alanda Health

Alanda Health, an LSHTM-alumni owned organisation, has put together a collection of websites where students and professionals can find job opportunities in global health and public health, as well as a list of websites providing information on alternative funding sources for NGOs and public health initiatives. You can view the details to support your career development [here](#).

The Turing Internship Network: Paid Internship Opportunity for PhD Students

Now in its 12th recruitment round since launching in 2020, The Turing Internship Network offers doctoral students currently enrolled in a PhD at a university in the UK or Ireland the opportunity to undertake exciting 3 to 6-month placements at the Turing or one of the Turing's partners, with an indicative start date of September 2025.

In this new round, there are 7 paid internship opportunities in the financial, agricultural, justice, AI safety and data-centric engineering sectors. We are offering opportunities at the Ministry of Justice, HSBC and within the DCE team (Data-centric Engineering) and TIRE team (Defence & National Security) at the Alan Turing Institute.

New in this round is the unique opportunity to participate in an Innovate UK BridgeAI internship through one of their startup companies: Mutus Tech Ltd, SparkSoft Ltd and TrackCarbon.

Find out more about the internships, the eligibility and how to apply [HERE](#), or contact internshipnetwork@turing.ac.uk. The deadline for applications is 11:00 on Tuesday 17 June 2025.
