## LSE Discover International Organisations Day

LSE are hosting the Discover International Organisations Day on Saturday 9<sup>th</sup> November 2024.

The event has 14 international organisations confirmed including the International Organization for Migration (IOM), United Nations Secretariat, Asian Development Bank (ADB), EU Careers (EPSO) (EU Institutions), Organisation for Economic Co-operation and Development (OECD), International Monetary Fund (IMF), World Food Programme (WFP), African Development Bank (AFDB), United Nations Population Fund (UNFPA), UN AIDS, World Bank Group, UNDP, UNICEF, and the Development Bank of Latin America (CAF).

Most organisations attending will give a presentation which will include a question-and-answer session. The majority of these presentations will be recorded and will be available to attendees after the event. During morning and afternoon sessions, representatives from each organisation will be present at an information stand showcase where students will be able to chat directly with them. The day will also include a lunchtime panel discussion where speakers will discuss future trends and share insider tips. DIOD is not a recruiting fair but an opportunity to get to know in greater depth how a number of important organisations in this space operate, the work they do, the kinds of career opportunities they offer, and the various entry routes available.

LSHTM has been allocated 35 tickets for the event, which we are offering for free on a first-come-first-served basis. To apply for a ticket please [click this link](#) now and fill out your details. You will then be informed by email if you have been allocated a ticket, or if you have been placed on the waiting list. Please only apply if you are definitely able to attend the event.

### **Upcoming Opportunity: LSHTM Careers Project Assistants**
