## Save the Date! Careers in Public and Global Health - Alumni Panel Discussion

We are running an alumni panel discussion on **Monday 24th November at 17:30 – 19:00** (UK time) focused on careers in public and global health. Panellists who are alumni of LSHTM with a range of backgrounds and experience will speak about their work and their career path to date, followed by Q&A. Once we receive the panellist biographies, these will be collated and added to the [Forthcoming workshops and events](#) tile on Moodle, along with the Zoom joining link.

## Check your CV and Cover Letter with CareerSet

CareerSet enables you to check, score, and improve your CV and Cover Letter using their AI-powered platform. You can 'Score my CV' to receive actionable feedback on your CV; 'Target my CV' to tailor your CV to a specific role; and 'Review my cover letter' to optimise and personalise your cover letter. **You can access and use the platform via this link:**

<https://careerset.com/lshtm> This link logs you in for one session, and your account is created upon your first login, where you can read and accept the terms and privacy policy. You also have access as a graduate - you can sign up to CareerSet with your personal or alumni email address by clicking on the 'alumni sign up' and entering the code **LSHTMGRAD**.

## **Novo Nordisk - Graduate Programme**

Now is the time to apply for their global Graduate Programme, designed to bring together change makers with a diversity of perspectives and equip them with the tools needed to accelerate their personal and professional development.

The two-year programme allows you to explore the world while developing your career. You will be taken on three to four rotations around the globe where you will work in a fast-paced environment with plenty of growth opportunities. You will be exposed to different parts of the Novo Nordisk value chain while being challenged to explore your boundaries and reach your full potential.

Upon successful completion of the programme, you will be equipped with professional and personal skills to embark on your global career at Novo Nordisk and make a difference for more than 45 million patients every day.

**Learn more and apply [here](#) from 17 November - 7 December 2025 (for a September 2026 start)**

## **PeerMatch - a platform for early career researchers and postgraduates**

PeerMatch is a platform designed to help researchers find ideal collaborators across all academic levels and disciplines. It is built by Chevening peers at the University of Manchester for early-career researchers and postgraduate students.

**What is PeerMatch?** PeerMatch uses a smart matching algorithm to connect researchers for publications, funding applications, and collaborative discoveries. Whether you're seeking a co-author, research partner, or interdisciplinary collaborator, the platform helps you find the right match in minutes.

**Free Demo Access:** PeerMatch is offering complimentary access to the full platform for researchers. As they are building this platform for researchers, by researchers, your feedback would be invaluable in shaping its development.

#### **How to Participate:**

1. Access the demo at <https://demo.peermatch.org/>
2. Explore the matching features and connect with potential collaborators
3. Share your feedback through our brief evaluation form:  
<https://forms.gle/SzucBaFpCqf7uQzK7>
4. Feel free to share this opportunity with colleagues and students

Your insights will directly influence how they refine the platform to better serve the research community.

#### **Job Opportunities for Students and Graduates**

Jobs are posted in the bar at the right hand side of the Moodle page [here](#). This is a useful resource wherever you are in your career thinking whether you are checking out the types of job available or ready to start applying yourself. You can also check [LSHTM Connect](#), the dedicated platform for students and alumni of LSHTM.
