

## **Tonight! Careers in Public and Global Health - Alumni Panel Discussion**

The Careers in Public and Global Health panel discussion is taking place **tonight** **Monday 24th November 17:30-19:00** (UK time). LSHTM Alumni Panellists with a range of backgrounds and experience will speak about their work and their career path to date, followed by Q&A. The panellist line-up looks like this:

- Eleanor Clarke – Senior Scientist at UKHSA
- Sian Williams - Policy Role at Department of Health
- Dr Melvin Sanicas - Physician-Scientist and Global Medical Affairs Vaccine Lead at Bavarian Nordic
- Myriam Watfa - Various Public Health roles at Lebanese Ministry of Public Health, WHO, the World Bank and the International Labour Organization
- Dr Kelvin Charambira – Program Manager, TB and HIV at CHAI
- Kelsi Kriitmaa (PhD) - Social Impact Strategist and ICF-certified coach at Kriitmaa Coaching & Consulting
- Jennifer Lowe - Chief Research Officer at Resonance CRO
- Claire Reading – bio coming soon

Do go and check their profiles on LinkedIn to see the wealth of experience they bring to this panel. Their biographies are also available to read online [here](#). The event starts at 17.30pm and ends at 19:00pm (UK time) and will take place on Zoom. [HERE IS THE LINK TO JOIN ON ZOOM](#). You can also find the Zoom link on the ['Forthcoming](#)

workshops and events' tile on Moodle. We look forward to welcoming you at this panel event.

## Clinton Health Access Initiative (CHAI) - Careers Information Session

**When:** Monday 1<sup>st</sup> December 2025 from 12:50-13:50pm

**Where:** Room LG80 (capacity 46). First come first served basis until the room capacity is reached.

### 👉 Meet CHAI's Graziella Scudu – LSHTM Alumni Spotlight

We're excited to welcome Graziella Scudu, LSHTM alumna and current Manager on CHAI's Global Malaria Team, back to campus. Join us for an informal session where Graziella will share insights into her career journey, her work at the Clinton Health Access Initiative (CHAI), and what it's like tackling global health challenges from the field.

🌐 CHAI is also actively hiring for both full-time roles (on a rolling basis) and their annual internship intake. Explore opportunities here:

- Full-time roles: [CHAI Careers](#)
- Internships: [CHAI Internship Program](#)

## Term 1 - Careers Programme

You can see our Term 1 careers programme on the 'Forthcoming workshops and events' tile on Moodle [here](#).

The next lunchtime workshops are:

- **LinkedIn & Networking**, Friday 12<sup>th</sup> repeated Tuesday 16<sup>th</sup> December, 13:00-13:30

The Zoom joining links will be made available on the 'Forthcoming Workshops and Events' tile on Moodle [here](#).

## **Veramed Graduate Training Program (UK)**

Veramed (the CRO) are recruiting their next cohort of graduates for an October 2026 start. They have maintained a 94% graduate retention rate since 2017. Veramed shares the following:

"Our Graduate Statistician and Programmer roles include a 12 week training program where you will learn all that you need to know to work with clinical trial data. Our graduate program is a unique blend of technical and human skills training that is delivered in your initial 12 weeks. As you complete more modules you'll be introduced into project work with our supportive in-house teams who work with clients around the world. At Veramed we pride ourselves on our values of integrity, collaboration, and excellence, which means that we deliver every project to the highest standards. The projects and clients we work with at Veramed provide a varied and exciting challenge; this in turn enables us to help develop and enhance our employees' capabilities with further training, giving them the opportunities for growth in their career at all levels. To find out more about the graduate scheme and apply to our graduate roles, please click [here](#)."

Applications for Veramed's Graduate Training Program for Statisticians and Programmers are now open for an October 2026 start. Application closing date: Thursday 30th April 2026. Applications are processed and interviews take place on an ongoing basis from December to May. Please get your application in as soon as you can. Positions will be filled from January onwards. Please send your CV and Cover Letter to [gradrecruitment@veramed.com](mailto:gradrecruitment@veramed.com).

## PhD Positions in Epidemiology and Biostatistics at the German Cancer Research Centre (DKFZ)

Do you want to help reduce the burden of cancer? At the German Cancer Research Center (DKFZ), Germany's largest biomedical research institute with its core site in Heidelberg, the research program "Cancer Risk Factors and Prevention" is dedicated to research in epidemiology, public health, digital prevention, biostatistics, behavioral science, and cancer survivorship. You can find out more and apply [here](#). Deadline for applications is 15<sup>th</sup> December 2025.
