All the information about the event, including information on the employers attending and some top tips for making the most of the event, will be on Moodle in the new year. And for those of you who would like a bit of support on how to make the most of the fair, we have a special event just for you, the week before. You will be able to access the link to that on the forthcoming events page [here](#).

### Other forthcoming events

Below you will find details of our final careers sessions this term. We generally record all our events and these can be found in the '[Recordings](#)' section. However, as this is scheduled as a drop-in to respond to your specific questions, that won't be possible this time. Remember that you can find short videos on using LinkedIn in your career search [here](#). Please see the details below for the rest of term and, as always, check Moodle for any updates or changes to the programme.

#### Week beginning 11 December

**LinkedIn – Drop-in session.** Bring your questions about anything to do with LinkedIn from improving your profile to reaching out to alumni, from security settings to writing your first post.

Tues, 12 Dec 13:00-13.30 link to zoom session will be made available prior to the event via the Forthcoming Events tile [here](#)

Weds, 13 Dec 13:00-13:30 link to zoom session [here](#)

### Refunding ticket price for LSE Discover International Organisations event

If you attended this event using one of the allocated LSHTM tickets, you are entitled to claim a refund. In order to do so, please send us brief key points from at least three

sessions you attended on this form: <https://forms.office.com/e/Gm1qWjF1yy>. Thank you to those who have already done so. If you have not yet done so, please complete the form by **12:00 on Thursday 14 December**. We need to set a deadline so we can create and upload the resource for all students that we will produce based on your feedback.

If you are unable to meet this deadline, please email [careers@lshtm.ac.uk](mailto:careers@lshtm.ac.uk) with 'LSE refund' in the title line by the 14 December deadline so we can make arrangements with you to pay your refund. Please include your LSHTM email address on the form as this will be used to send you an email with the bank details form for you to claim your refund.

### **Spring careers programme**

We have now uploaded the spring programme to the Forthcoming Events tile on Moodle. You can [view the programme here](#). In the last edition of the newsletter, I picked out some highlights but do go and check the complete programme. We will add more details, including Zoom links and dates, as they are confirmed.

### **Careers in Global and Public Health alumni panel**

Our final event this term was a panel discussion with a range of panellists who spoke about their work and their career path to date. We have uploaded the recording and some useful links recommended by the panel. Find the recording and the speaker biographies in [this section](#) under panel discussion events. If you attended and haven't yet completed the feedback, please do so [here](#).
