Careers Fair on Wednesday 24 January 2024

Our Online Careers Fair will take place on Wednesday 24 January from 12:00pm – 14:00pm (UK time) via Zoom. We have 21 organisations confirmed for the Fair. You can check this [list of employers attending](#). The various organisations attending will be in breakout rooms and you will be able to move freely between the breakout rooms to speak with them. These organisations are a selection of the many organisations working in different aspects of Global and Public Health and we hope that conversations with them will give you an insight into the type of work they do, which will then be useful for considering other similar organisations. Each of them has been asked to provide information about the organisation including what they look for in applicants, typical job roles, whether they are currently recruiting and whether they sponsor visas. You can find their answers [here](#).

There is no need to book in advance, just join using the Zoom link below:

Want to make the most of the careers fair? We will also be running a lunchtime workshop session to help you prepare, titled 'Making the most of the careers fair'. See the details below in the spring term careers programme section.

Opportunity to Join LSHTM's Mentoring Programme - MentorMe

Are you passionate about developing your career? Then join us in our new mentorship programme, MentorMe.

Why become a mentee

- > Receive guidance and support towards achieving your career goals
 - > Further enhance and deploy your communication, confidence, organisation, and time management skills
- > Become a public and global health leader of tomorrow, today – build your experience and expertise

What is involved

We are seeking mentees to meet with mentors for one hour per month, over three months from Feb-May 2024, to gain support with:

- > Career advice and planning
- > CV writing and editing
- > Introductions to the workplace
- > Balancing work/study commitments
- > Skill set development
- > Confidence building

How to join

Step 1: Go to [LSHTM Connect here](#) and create your free account.

Step 2: Once your account is approved and active, click on 'Edit profile'. Scroll down to 'Other information'. Click on 'MentorMe 2024 Programme' and click 'Interested'.

As we are piloting the MentorMe programme for the first time, we are only considering the first 100 mentees who click 'Interested' on their profile.

Online Event: Careers at Costello Medical

Costello Medical is a healthcare consultancy with a range of opportunities to join their teams across 2024. These include entry-level opportunities suited to recent graduates, post-graduates or those looking to take their first career move into this industry, as well as more senior opportunities suited to those with prior academic or industry experience. They are running a free event on Wednesday 17 January 12:30-13:30 (UK time) to explore who Costello Medical are, what is important to them as a company and their available job opportunities in more depth, as well as exploring the work of their various divisions. For full details and to register for the free event [click here](#). And if you have specific questions you can email their team via recruitment@costellomedical.com.

Graduate Scheme Opportunity: NHS North West London Integrated Care Systems (ICS)

The North West London ICS Graduate Scheme is specifically designed to provide recent graduates with a unique opportunity to contribute to the NHS in North West London and start a career in healthcare management. The two-year scheme offers a variety of placement roles with the aim of fostering professional development and making a positive impact to healthcare services within the local community. Graduates will have the opportunity to work in two 12-month placement roles in either general management or people management and study for a Level 7 Senior Leader Apprenticeship through their academic partner Henley Business School.

Application details:

Application window: 8th January - 21st January 2024
