

East Asia and Pacific: Job Vacancy Websites

This resource is designed for students that are seeking employment opportunities across the East Asia and Pacific region¹.

Working in East Asia and the Pacific

Employment opportunities are very diverse across this region, from tea plantations, motor vehicle design and manufacture, tech and financial services to textiles, roles vary from country to country but options across the region are numerous. Individual countries have reported skills shortages which also vary from country to country. Many also fall into emerging markets categories which offer opportunities for growth, undertaking additional research will help you identify which sectors and roles are in most demand.

The region offers a large variety of options, with roles across numerous sectors. Some of the listed websites advertise roles for across the region, some for specific countries.

It is important to remember that each nation may also have its unique approach to recruitment. Researching cultural recruitment norms is crucial in developing your understanding. You can do this usually by undertaking research on the internet. Key things to look out for are the typical length of a CV – will it need a photo? Will you need to write a cover letter? Will you need to complete an application form? Will you need a personal introduction?

If you are not a citizen or a resident of the country in which you wish to work, please

¹ The East Asia & Pacific region includes: China, Hong Kong, Taiwan, Macau, South Korea, Japan, Mongolia, Philippines, Australia, New Zealand, Solomon Islands, Vanuatu, New Caledonia, Guam, Tonga, Fiji, Samoa, Micronesia, Myanmar, Thailand, Vietnam, Laos, Malaysia, Singapore, Indonesia, Brunei.

check if there are visa regulations and language requirements for individual countries. This resource will give you some useful starting points for both general vacancy websites and that those relate to specific industries.
